

## High School Ready For Busy Season In Hoop Schedule

Coach Announces Squad As  
Workouts Get Under  
Way Here

Tahoe-Truckee High School's basketballers swung into full gear Tuesday, with the first full-scale workout scheduled by Varsity Coach Jim Brehler.

The varsity squad, as announced last week following a week and a half of try-outs, includes an all-experienced squad of six seniors and six juniors. The junior varsity, to be coached by Stan Drakulich, will be cut to the final 15-man limit by Friday of this week.

Included on the varsity roster are four holdovers from last year's team, including Doug Wilson, Ken Vaughan, Floyd Cooper and Bob Trask, last year's winner of the most valuable player award. Up from the junior varsity, which won 10 and lost five last season, are Tom Sheehan, Berger Nelson, Wes Ballard, Doug Cooke, Dean Holbrook and Ken Osburn.

The new men to the team are Dave Rickert, a senior transfer

Continued on Page 8

## Report Indicates Fire Station Cost

It cost just \$3,735.58 in cash to build the new Truckee Fire Station. Value of the structure has been placed at between \$6000 and \$7000.

This was revealed at Tuesday night's meeting of the Truckee Volunteer Fire Department at Cozzi's when Robert Moore, the department secretary, made his report.

The report showed that labor cost the department only \$764.20 and materials cost \$1,771.38 for a total of \$2,535.58. The district furnished \$1200.

Most of the labor and some of the materials were donated and thus Truckee has a model fire station at approximately half what it would have cost the district through the efforts of the volunteers.

Two new members, Emery Lander and Edward Androus were added to the department at Tuesday's meeting which was presided over by Chief N. F. Dolley.

## Community Responds To Complete Motel Units For Lake Tahoe Widow

KINGS BEACH—The community spirit which prevails here was exemplified Saturday when a crew of 17 volunteers assembled to complete two motel units started by Herbert King before his death recently. Food was prepared and served at noon by the V.F.W. Auxiliary. By late afternoon the cabins were secured for the winter weather, and the group had earned the thanks of Mrs. Dorothy King.

Those participating were Fred Miller, George Holt, Dan Anderson, Tom Lucas, Bill Althoff, Wally Skaggs, Skeet Thompson, Charles Rich, Albert McEathron, Billy Martin, Otis Wing, Billy Watson, Gene Faulkner and his crew; Ethel Antonson, Dianna Finigan, Joy Plunkett, Audrey Welch, Wanda Brooks, Thelma Liddle, Edith Mullis, Bonney Bates, Mary Skaggs, Mickey Stevenson, Pearl Moore.

## Mrs. McCarty Installed To Again Head Wyethia

Mrs. Ray McCarty of Soda Springs was installed for her second term as president of the Wyethia Women's Club at impressive candlelight services held Saturday evening at Donner Lake Lodge. Mrs. Fred Pedley was the installing officer.

Mrs. McCarty announced that the two chief objectives of the organization this year will be to raise funds for the improvement of the clubhouse and continue the nutrition research project.

The next meeting will be held Friday at 1 p.m. at Brown's Cafe.

## Thieves Take Truckee Man's Car From Drive

C. Edmunds reported to the California Highway Patrol Tuesday morning that his car, a Ford tudor, was stolen from the driveway at his home in Gateway Park sometime during the night. Edmunds said he had parked the car near his home and removed the keys. When he awoke Tuesday morning his car was gone and another, apparently stolen and abandoned there.

## LAKE LEVEL

TAHOE CITY—The level of Lake Tahoe Monday was 6227.99 with 297 cfs of water leaving the gates. No precipitation had been reported as ideal fall weather predominated. Temperatures ranged from 28 to 50 during the week.

## From Richmond—

William Delaney of Richmond was visiting friends during the holiday.

## Patrolman Escapes In Collision; Other Driver Is Arrested

State Patrolman Edward W. McCallen narrowly escaped serious injury Monday evening at 6:15 when his patrol car was struck headon by a new car driven by Luther Rogers, 46, Sacramento, near Boca Rogers who was cited for driving while intoxicated, speeding, making an unsafe pass and being on the wrong side of the highway, was taken to the Tahoe Forest Hospital by the Truckee ambulance for head injuries.

Witnesses said Rogers was passing a string of cars at a high rate of speed when he met the patrol car. McCallen had two choices, either dive his car into the river or meet the on-coming vehicle. He selected the latter course.

In another accident Monday evening, Arthur W. Warner, Reno, fell asleep at the wheel of his car near the foot of Donner grade and the vehicle plunged into a ravine. Injured and taken to the hospital for treatment were the driver's two sons, Robert, 15, and Arthur, 17. Lakbir Singh Chima, Yuba City, escaped injury when his car was forced into a guard rail of a bridge four miles east of here Friday afternoon. The other car, a pickup, did not stop.

## Vandals Warned On Office Damage

Tampering with or stealing property from a post office is a federal offense and conviction carries a severe penalty.

This fact is apparently unknown by vandals who have been stealing the new ball point pens left on the desks in the lobby for the convenience of patrons.

Postmaster E. C. Bavier informed Deputy Sheriff Emory Lander that a dozen of the pens have been ripped from the desk chains and removed during recent weeks. She also said that mail boxes have been tampered with after closing hours. Unless the practice is discontinued, she told the officer, it will be necessary to lock the doors when the staff leaves at 6 p. m. and thus deprive the public of a convenience.

## Farewell Night Feature Of Tuesday OES Meet

The second meeting for the month of November for the Order of the Eastern Star will be held November 20. This will be "Farewell Night" for the worthy matron and worthy patron, Mickey and Bud Mandeville. There will also be an initiation for six candidates and all members are asked to attend.

Joint installation of Eastern Star and Masonic officers will be held Saturday evening, December 1, and members and friends of both orders are invited to attend.

Chairman for the evening of November 20 will be Myrtle Brooks and for December 1, Margaret Christiansen.

## INCUMBENT HOSPITAL OFFICIALS APPOINTED

The board of supervisors has re-appointed James Sherritt of Soda Springs and Asa Abbott of Kings Beach to the board of directors on the Tahoe Forest Hospital district. No one filed against the two incumbent directors for election and the election was waived and the appointments requested.

## LIQUOR LICENSE FUND DIVIDED IN COUNTY

From the semi-annual distribution of liquor license fees to cities and counties of California, as announced this week by Russell S. Munro, director of the department of alcoholic beverage control, the county of Nevada received \$5,605.75, while Nevada City got \$1,902.50 and Grass Valley, \$1,825.

The county's share came from the unincorporated areas, including Truckee.

The fees represented collections from licenses from March 1 to August 31, inclusive.

## Return In Springtime—

Mrs. Anna Blau of Tahoe Vista once again bid her friends a happy holiday season before catching the bus in Truckee on Wednesday for Ventura where she will spend the winter.

## Local Region Will Oppose Plan For New J. C. District

Election Called By Placer  
Official To Decide  
On Issue

Albert F. Bequette, Placer county superintendent of schools, this week announced that he had been directed to call an election on January 22 to determine if a county-wide junior college district shall be formed to replace the district now operating the Sierra College at Auburn, effective July 1, 1957.

At the same time, local opposition is being organized as school officials, business people and others in the Tahoe-Truckee Unified School District, directly affected by the issue, prepare to fight the plan.

As pointed out by members of the local school board and Superintendent John Corbin, the inclusion of the Tahoe-Truckee District in the junior college district will boost junior college taxes from 18 cents to 36 cents per \$100 assessed valuation and provide no additional services.

With 11 students attending the college from this district in an enrollment of 550, Corbin pointed out, it means that the local district will be paying one-fifth of the costs while only one-fifth of the benefits are received.

Bequette said the date of the election had been planned after unanimous approval for the larger area was voted by the state board of education meeting in Chico and acting upon a recommendation by the Placer County School District Organizing Committee, headed by Willard Dietrich of Roseville.

Only a simple majority of votes is needed to form the proposed district.

"The action of the state board amounts to a directive to my office to call the election," Bequette said.

## 'BARGAINS GALORE' PLANNED BY CLUB

"Bargains Galore." This is the title of the annual affair sponsored by the Squaw Valley-Lake Tahoe Ski Club which will be held at the Tahoe Community Center at 8 p.m. Friday, November 16 for the entire region.

Everyone is invited to bring outgrown or discarded ski equipment of all kinds, including clothing and shoes. As the items are brought in, the price the seller is asking is marked on them and sold for that amount. No one makes a profit and the ski club sponsors the event only as a service.

Newcomers to the area are especially invited as it gives them a chance to select gear from the big assortment. Everyone is invited.

## THREE NEW MEMBERS JOIN GIRL SCOUTS

Activities of Donner Troop Girl Scouts for the fall and coming winter seasons began when the first program featured singing and dancing and the introduction of three new members, Marcia Leamon, Myrna Hall and Sheryl Swauger and a co-leader, Mrs. Robert Leamon.

Members worked on their tenderfoot badges on October 16 which was spent in Donner State Park, for filling out of door requirement and for cyclist badges. The group was accompanied by Mesdames Dave Rose, Robert Leamon and Frank Giovannoni.

Badges for activities completed were awarded to Ruth Parkhurst, Donna McReynolds, Linda Giovannoni, adventure badge; Dorette Rose, cat and dog, cyclist and tenderfoot badges; Judy Giovannoni, cyclist and adventure badges.

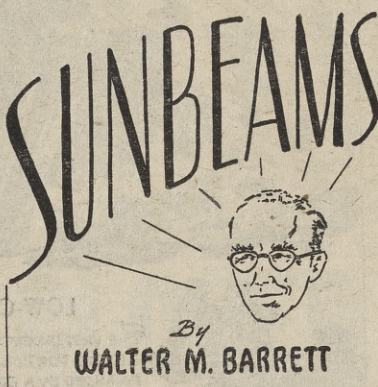

The third birthday of the troop on November 6 also marked the investiture of the tenderfoot members. The sale of salted nuts to swell the fund to send girls to Camp Wasin at Meeks Bay during the summer began on Saturday, November 10.

## On Vacation—

Posten Wilson has been spending a week in Bakersfield with Mr. and Mrs. Elmer Sadocchi, vacationing from his position as judge of the local court.

## License Issued—

Milton Roseberry and Violet Maltoun, both of Truckee, applied this week for a marriage license at Reno.

## Commission Will Consider Freeway In December Meet

Start Of Work Depends On  
Availability Of State  
Highway Funds

The California Highway Commission announced this week that it will consider at its December meeting or at a subsequent meeting the adoption of freeway routings for two sections of U. S. Highway 40 in Placer and Nevada counties.

The sections are between Blue Canyon and Hampshire Rocks, 13.7 miles, and between Soda Springs and approximately three quarters of a mile east of Donner Lake, 10.3 miles.

For the section between Blue Canyon and Hampshire Rocks, the state engineer, G. T. McCoy has recommended a route which in general would follow the existing highway with minor deviations to improve alignment.

For the Soda Springs and east of Donner Lake, McCoy has recommended a route which would relocate the highway north of the existing road. It would bypass Soda Springs to the north and generally parallel Cascade Creek to the West Lakes area. It would pass over Donner Ridge and run slightly to the north of the existing highway around Donner Lake, to connect with a previously adopted freeway route at the east end of Donner Lake.

Boards of supervisors of Placer and Nevada counties adopted resolutions stating that a public hearing on the matter was not considered necessary.

Plans for the division of highways call for the construction of a four-lane freeway on both sections for which routes will be considered. For the section between Blue Canyon and Hampshire Rocks the estimated cost is approximately \$15,000,000, including right of way. For the section between Soda Springs and the west of Donner Lake the cost is estimated at approximately \$11,000,000, including rights of way. Start of construction would depend on the availability of future state highway funds.

The 1957-58 state highway budget allocates \$3,100,000 for construction of a four-lane freeway on the 5.7 miles between Hampshire Rocks and Soda Springs.

## CROSSING GUARD TO PROTECT CHILDREN

At the request of the school officials, Parents and Teachers, the Truckee Chamber of Commerce and other civic organizations, the board of supervisors has authorized the employment of one crossing guard for Truckee.

The purpose of the guard is to protect elementary school children who are required to walk across busy Highway 40 and State Route 89 to reach the Truckee school on Church street.

Application for a similar guard at the high school was denied since there is no necessity for the students there to cross the highway.

## LADIES NIGHT FOR ROTARY ON MONDAY

Next Monday, November 19, will be ladies' night for the Truckee Rotary Club and all members are being urged to escort their wives to the meeting to be held at Donner Lake Lodge at 7 p.m. A special program is being planned.

Last Monday John Richards presented a movie from the U. S. Forestry on Christmas trees which proved interesting and entertaining. R. R. Frank presided at the meeting.

## CHILI LUNCHEON IS PLANNED BY W.S.C.S.

The W.S.C.S. members will have a chili luncheon followed by a food sale and bazaar beginning at 11 in the morning, on Tuesday, November 27 in the Methodist Church. A nominal charge will be made for adults and a less amount for children's portions.

## LITTLE IMPROVED

R. N. Little, well known Truckee insurance broker, who was taken to the Tahoe Forest Hospital in a serious condition last Saturday with pneumonia, is greatly improved and his many friends hope he will soon be back in his office.

## Christmas Party, Nominations Will Be On C.C. Agenda

Busy Schedule Outlined For  
Meeting Here Next  
Tuesday

Plans for the annual Christmas party, nomination of officers and a report on the zoning program will be among the items on the agenda at a meeting of the Truckee Chamber of Commerce to be held next Tuesday, November 20 at the high school cafeteria at 7:30 p.m.

Hal Welch, president of the chamber, said the committee to arrange the Christmas party, in cooperation with other organizations of the community and Jack Neugebauer, manager of the Donner Theater and the Sacramento Bee, will be named at the meeting and he asked that a large turnout be on hand so that plans can be formulated.

The chamber is also soliciting the cooperation of the Truckee Public Utility District to provide prizes for the best outside tree decorations again this year. It is anticipated that the same worthwhile prizes as presented last year will be offered.

Welch has declared his intention to not be a candidate at the forthcoming election on December 4. He has served two successful years as head of the organization and his name has been prominently mentioned for a third term since a number of important matters started and in process of completion were inaugurated under his administration.

Among these is the proposed zoning ordinance which will be under discussion at Tuesday's meeting.

Still another important subject which may be added to the agenda is the feasibility of incorporating the area. Steps have already been taken to determine whether or not this step shall be taken in the immediate future.

## OLYMPIC OFFICIALS IN MELBOURNE TO PRESENT NEW PLANS

Officials of California's 1960 Winter Olympic committee are in Melbourne to give a progress report to the international Olympic committee.

The report will be made on November 21, the day before the opening of the 16th Olympiad.

The delegation is headed by Prentiss Hale, president of the organizing committee for the 1960 winter Olympics.

Other members are H. D. Thorau, executive secretary for the California Olympic commission; P. K. Macker, assistant to the president of the organizing committee, and Pete Rozelle, publicist for the 1960 winter games.

## LOCAL STUDENTS AT DAVIS CAMPUS MEET

DAVIS—Nine students from the Tahoe-Truckee area were Preview Day guests on the University of California's Davis campus Saturday, November 3.

The visit to Davis was part of the Homecoming-Preview Day weekend, which included the Little International Livestock Show.

In the group from Truckee were Howard and Paul Cincotta, Bob Armstrong, Harry Woodward. Those from the Tahoe area were Joanne Palmer, Carol Street, Doug Wilson, Bob Heuga and Frank Ratliff. Mrs. Rowena Cincotta from Truckee accompanied them.

## ZORICH ASSISTS WITH SACRAMENTO SKIING

Bud Zorich, ski instructor on Donner Summit since 1947 and director of the Donner Ski Ranch Ski School, participated in the second annual Sacramento Bee Dry Ski School yesterday at the Sacramento State College. The five class series is sponsored by the Bee and the Sacramento Ski Patrol in co-operation with the college.

## Motor Vehicle Office To Be Closed Here Monday

George Fiedler, motor vehicles department representative announced that the Truckee office of the motor vehicles department will be closed on Monday and Tuesday, November 19 and 20 but will again be open on the following Monday and Tuesday, November 26 and 27.

## Hopples Leaves For East Before Winter Season

Mr. and Mrs. Edward Hopple, managers of the Hotel Biltmore at Crystal Bay have left for a two weeks business trip in New York. They will return to prepare for a busy winter season at the hotel which they recently took over as managers. A complete remodeling plan is being completed and the hostelry will cater to winter sport enthusiasts, with a bus service to all favorite skiing resorts in the region.

SACRAMENTO (CNS)—Issues  
to be presented at the 1957 legisla-  
ture are piling up, and one of the  
more important matters which de-  
veloped this week is the announce-  
ment of Assemblyman Patrick D.

McGee, of Los Angeles that he will  
sponsor a bill to abolish the state  
park commission, and make the  
state division of beaches and parks  
a department of recreation.  
It is assumed the proposed meas-  
ure would provide for a consolida-  
tion of the state recreation com-  
mission in the department, at  
least of the functions of that com-  
mission and its abolition along  
with the parks and beaches group.

**Move Not New**

rid of the state recreation com-  
mission and combine its functions,  
which are minor, with some other  
department. The legislature, how-  
ever, has never been successful in  
this attempt, although many ex-  
perts have advocated that it go.  
Dissatisfaction with the activi-  
ties of the state park commission  
on many fronts has been expressed  
by legislators, but up until now  
there never has been an open  
move to abolish the commission  
and put its activities on a business-  
like basis.

**More Land**  
The park commission has thou-  
sands of acres of undeveloped land,  
necessary for usage to accommo-  
date and recreational demands of  
the public, yet one of its primary  
activities is "acquisition" of even  
more land.

It subscribes to the philosophy  
of preserving the "natural beauty"  
of the parks, which is a good phi-  
losophy except when the so-called  
natural beauty interferes with  
usage of the land that belongs to  
the public, by the public.

Every year, thousands of camp-  
ers are turned away from the state  
park campgrounds because of the  
meager facilities provided, which  
are insufficient to accommodate  
the people.

**Cites Emerald Bay**  
Another example of preserv-  
ing the "natural beauty" is the  
park commission's opposition to  
a low level bridge across the  
mouth of Emerald Bay at Lake  
Tahoe, which is a needed im-  
provement not only for the con-  
venience of the thousands of

tourists who visit that area each  
year, but also for all-winter  
usage of a proposed road giving  
access to the lake during the  
forthcoming Winter Olympic  
Games, in 1960.

The antiquated attitudes of the  
state park commission clearly  
mark the necessity for a change in  
the set-up, and the appointment  
of a modern, progressive director  
under the governor, thereby bring-  
ing the administration of beaches  
and parks in California closer to  
the people of the state.

**Sees Opposition**  
It is no secret that McGee, who  
is a forthright legislator and not  
afraid to meet an issue on prin-  
ciple, no matter who the parties  
concerned might be, will undoubt-  
edly run up against opposition to  
his proposed bill at the legisla-  
ture. And it will be strong oppo-  
sition because of the influential  
members of the state park com-  
mission.

However, the Los Angeles coun-  
ty legislator apparently is willing  
to meet this opposition head-on,  
and do what he thinks is right and  
proper for the benefit and proper  
usage of the state parks and  
beaches in California. McGee is  
bound to receive some unexpected  
support in this move.

For the sooner the legislature  
realizes that the State of Cali-  
fornia is a growing state, and that  
development of its beaches and  
parks system on a large scale is  
necessary to meet the require-  
ments of the people, the sooner it  
will provide for an administration  
devoted to giving the state that  
development.

## REZONING PLAN IS BEFORE COMMISSION

AUBURN — Rezoning of 23  
acres of residential land in the  
Fulton Estates near Lake Tahoe to  
commercial and multiple dwelling  
by the county planning commis-  
sion.

The commission recently, at  
the second hearing on the request  
of John Fulton for rezoning the  
entire acreage for commercial use,  
made the recommendation after  
listening to proponents and op-  
ponents of the rezoning.

Fulton presented a petition  
bearing the signatures of 55 prop-

erty owners in the area approv-  
ing the rezoning. He plans to de-  
velop motels and other commercial  
enterprises.

Opponents of the rezoning, led  
by Mrs. Ted Martin, protested the  
change on the ground a large acre-  
age of commercial land near Ta-  
hoe City could be utilized for busi-  
ness ventures without using need-  
ed residential land.

The commission recommenda-  
tion carried the condition that only  
250 feet on the south side of the  
highway be zoned commercial. The  
remainder of the property would  
be zoned for multiple dwelling use.

## NEWS NOTES FROM TAHOE

By Naomi McLane  
P. O. Box 195, Tahoma  
Tahoe Weather

Late autumn days trimmed in Emerald Bay is open. It is, but we

white. How can I keep the agreement I made with myself not to talk about the weather? Personally I think the weather is a fine topic, because it is always with us and here at Tahoe and it is always beautiful, but enough. We made the trip around the lake Sunday and proved to ourselves that

found it leery there. We will certainly be glad when something is decided and done about that bad stretch. It is obviously a problem of real engineering.

### Explains Services

George Roy who has lived and worked with Mrs. Rose Boyiarides for the last seven years wanted the community to know why, at the time, services were not held here at Tahoe City. There were two reasons: Mrs. Boyiarides had wanted to be buried with her husband, Chris, whose body lies in San Francisco and the bad weather, which immediately followed Mrs. Boyiarides' unexpected death in Placerville, made transportation too difficult. However, Monday a requiem mass for Rose was held at the church here. Mrs. Maizie Carnell sang Ave Maria accompanied by Mrs. Pat Vanni. Father P. J. O'Neill officiated at the mass. Mrs. Boyiarides' sister and niece from the east, her brother-in-law,

Gus Boyiarides from San Francisco were among the many who came to the service.

### Back At Tahoe

Doug and Betty Baxter who were transferred to San Jose by the Pacific Telephone and Telegraph about two years ago are back again to the pleasure of their friends. They are living in the Sorensen house right next door to Pete and Pat Vanni.

### Open This Winter

Mr. and Mrs. E. A. Thomson who opened their trim Sugar Pine Pt. Lodge near Tahoma this last July are finding they love the fall and winter here as much as they did the summer. They will have units open all winter for either housekeeping or just sleeping. Thomson has not had time to get out to display his wonderful lapidary collection. In Oakland, where they lived before coming here, he had one of the largest and most complete rock-cutting and polish-

ing home-lobby shops in the region. Snow will cover his beautiful circle of large rocks in the drive until spring but it will be worth a stop then to examine it. Rocks from all over the world are there. Among the beautiful and tortured-looking ones are some stark white one from the White Cliff of Dover. By the door of the lodge office is a big lodestone from New Mexico. All are very interesting and Thomsons are most gracious in giving you what turns out to be an education in rocks.

### Moves Plant

Jimmie Chastain just came in and I learn that he is moving their North Tahoe Dry Cleaners to the highway in Kings Beach—three doors beyond the Brockway Theater. Judge Harrison, I am trespassing on your territory, but our Tahoe Cityites will be interested in knowing this.

## HELP YOUR

WINNER 12TH NATIONAL TRAFFIC SAFETY POSTER CONTEST

## HELP KEEP SCHOOL YOUNGSTERS SAFE!

Motorists, those School Safety Patrol boys and girls at intersections near schools need your full cooperation to help keep their classmates safe and unharmed crossing the street. Remember, these sentinels of safety are on duty to help you protect every school youngster. They are your School Safety Patrol as well as the school child's.

## THANKSGIVING

SACRAMENTO (CNS) — Gov. Goodwin J. Knight issued an official proclamation, designating November 22 as Thanksgiving day in California. The governor urged people of all faiths to give thanks by giving, sharing abundance with the less favored, and express thanks for the benevolence of Divine Providence.

## SURFACED ROADS

Sixty-three percent of the road mileage in the United States is surfaced, reports the California State Automobile Association.

to advise about the date. Tentatively the party will be the last Friday night of school. What a small-world television is making of us.

## Christmas Tea

Mrs. Martha Snyder, president of the Women's Club of Tahoe, would like to make sure that all women interested in the work and activities of the club will remember the date of the annual Christmas tea and open-house to be held December 6 at the home of Mrs. Ann Martin in the Tahoe City. Mrs. Becky Shontz is chairman of the tea with Mrs. Dottie Caulkett, Mrs. Pauline Sheehan, and Mrs. Sarah Hunter to help her with plans and preparations.

**\$1 BILLION OF LIFE INSURANCE NOW IN FORCE**

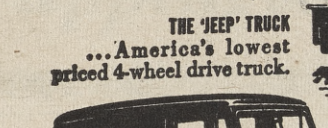

F. W. Wilson, local agent for the State Farm Insurance Companies of Bloomington, Illinois, announced today that State Farm Life Insurance Company's Ordinary life insurance in force passed the one billion dollar mark in September. "No other life insurance company," he added, "has ever grown so large during its first 27 years through the individual placing of policies by its own agents. "We feel this billion dollar achievement is a strong endorsement of our State Farm auto-life-fire 'personal insurance plan. And by the people who count most—our policyholders."

Mr. Wilson invites interested readers to contact him with any or all of their automobile, life and residence insurance problems. Telephone Truckee 101.

## New Chair Lift At Sugar Bowl Will Open Wide Area

Walter E. Haug, manager of the Sugar Bowl at Norden, announces that the long-talked-about Mt. Lincoln chairlift is now nearing completion and will be in operation by Christmas. This Heron double chairlift has a capacity of 600 per hour. Starting next to the Mt. Disney terminal, it will take the skier one and one-half miles up to the peak of Lincoln. A midway get-on station one-fourth mile from the lower terminal will tie in all the popular runs on the east face of Mt. Disney with the Lincoln lift.

Mt. Lincoln has been the site of many famous races. World champions have tested their skill on this mountain. It is also the site of Sugar Bowl's annual Silver Belt Invitational race which attracts many outstanding racers. With the advent of the new chairlift, this dean of California mountains is now opened to the general skiing

public.

The front of the mountain will be a test for the best only. The many runs down the northern exposure via Emigrant Meadow and lower Judah will offer the intermediate and near-beginner a variety of terrain unequaled in the western United States.

Many obstacles had to be overcome in the construction of this giant chairlift. The heavy snowfall of last winter prevented the start of construction until the beginning of July. The road construction crew encountered many delays in their job and had to blast a two-mile road to the top of Lincoln, arriving there finally the end of August.

The early heavy snowfall in October almost stopped work for the season. However, heavy bulldozers went to work plowing the two-mile road right to the top, and construction was resumed. All steel is now erected, the cable is being strung, all the rest of the material is on hand and the lift should be in operation for the Christmas holidays.

The advent of the Mt. Lincoln chairlift opens a tremendous ski area and will help in making High Sierra skiing one of the top areas

## Decency Is In Your Hands

By Rev. James Keller, Director of the Christophers

WHAT HE FOUND in a University publication shocked the Philadelphia proofreader of a large printing firm. He pointed out to the management an article that described a tale of depravity in sordid brutal detail. The company couldn't in conscience print the article, but when they told the university faculty they were rewarded by having the printing contract taken away.

Keller

Because the company refused to use their equipment "to turn out such lurid trash" they took a financial loss. It took courage to be decent. And it takes people just like you.

AS AN INDIVIDUAL you are in a strong position to shape public opinion towards what is normal and decent. All articles, books, programs and movies are bidding for your attention. They depend on you for survival.

You are the judge. The more selective and discriminating you are, the better product you are likely to get. You are free to approve or disapprove. You hold the purse strings. You have the power of the pocketbook (no matter how slender it may be) to back up your choice. The tone of most literature and entertainment will be just about

what you—and others like you—demand.

HERE ARE a few tips that you might find helpful:

1. AVOID TWO EXTREMES—of being too prudish on one hand—or of being so broadminded that you stand for no principles.

2. GIVE CREDIT where credit is due: In seeing abuses take care not to overlook the good that is being done.

3. DON'T BE DECEIVED—by those who defend an immoral production by saying: "But it was so well done!" The more artistically or cleverly presented, the more harmful any such work can be. Remember what Will Rogers once said: "What we need today are cleaner minds and dirtier fingernails."

4. PRAY DAILY—that the great and powerful channels of communication will be used for good to all and harm to none.

5. ENCOURAGE YOUNG PEOPLE—who have Christ-like ideals, ability and determination to consider taking up careers in the writing end of newspapers, magazines, books, movies, television and radio.

Keep in mind too, that decency will demand of you and those you encourage that you pay a price—and often a heavy one. The Philadelphia printer lost business. But this is the price of imitating Christ. One wins eventually by losing temporarily. Our Saviour lost in many ways in order to win for everybody.

† Publicity Feature Service, Washington 27, D. C.

## Problems At Lake Aired At Meeting Of State Officials

CRAVSTAL BAY—Travel control, sewage disposal and housing factors which have developed slowly but consistently during the long history of Lake Tahoe as a tourist center, will become major headaches in the immediate future.

These problems and other lesser concerns were studied last week during an all-day session called by State Senator Harold T. Johnson of Roseville, and Fred Schultz, president of the Lake Tahoe Sierra Chamber of Commerce who were flanked by Senators Swift Berrv of Placerville and Stanley Arnold of Susanville.

The discussion principally concerned operations on the California side of the state line.

The audience also was told the Tahoe Community Club and the Tahoe Sierra Chamber of Commerce have joined in resolutions urging the erection of a low level bridge across the mouth of Emerald Bay near the southern end of Lake Tahoe. Until recently many organizations had opposed such a bridge on grounds it would detract from scenic beauty of the area and the connecting highway would bisect and destroy portions of valued camp grounds.

Inspector E. F. Cassel of the California State Highway Patrol promised added consideration and study will be given the increasing

traffic volume of the lake area which boasts of weekend population of 100,000 persons during the summer peak.

### Gymic Games Problems

Herbert Foster of the state department of public health said a recent contamination problem has been solved but warned strongly that the future with its increasing population can bring troubles.

J. W. Trask of Marysville, district engineer for the division of highways, outlined the scheduled development of Highway 40 over the Donner route and explained that Highway 89 between the Truckee Y and Tahoe City is on the drawing boards for early four laning.

Among other officials who spoke at the all-day session were L. A. Rickel, Tahoe Forest supervisor and Roy Saarni, district ranger; Sheriff William Scott and deputies of Placer County; Supervisors L. L. Anderson and Frank Paoli E. George of the state lands commission; Lt.-Com. Edward Brummeler and Fred Main of the Coast Guard, and P. M. Burroughs of the North Tahoe Fire Control.

Kings River, for which Kings County was named, was discovered in 1805 and named "Rio de los Santos Reyes," River of the Holy Kings.

### MAX WILLIAMSON TO AFFILIATE WITH SKI CORPORATION

L. W. (Gus) Rickel, supervisor of the Tahoe National Forest announced today the resignation of District Ranger Max Williamson of the Big Bend Ranger District. Williamson resigned to enter private business and will be associated with the Soda Springs Ski Corporation located at Soda Springs on Highway 40.

Williamson has been at his present post as district ranger of the heavily used recreation district along Highway 40 since 1945. He

in the country. Touring trails are also opened from the top of Mt. Lincoln to Mt. Anderson, Squaw Peak, American River canyon and Donner Lake. Sugar Bowl and Squaw Valley ski areas are now linked together for the touring skier and together they represent a great variety of Alpine ski country.

### VETERANS HONORED AT ROTARY SESSION

KINGS BEACH—Pappy Brooks, president of the Rotary Club of Brockway presided at the regular meeting on Monday night. This meeting night being in observance of Veterans' Day, the program was turned over to Program Chairman Leon Barker who introduced Mike Kornazewich, commander of the Crystal Bay Post, Veterans of Foreign Wars. Kornazewich introduced Claude Shipley, department of Nevada service officer and quartermaster; Joseph Feldstein, past department commander of Nevada now public relation officer, and Bill Dugan, past post commander

has been well known among all the winter sports enthusiasts using Highway 40 recreation area.

Max is a graduate forester from the University of Pennsylvania in 1938. Shortly after his graduation he started with the U. S. Forest Service in New Hampshire working on the northeast timber salvage administration job. In April 1941, he transferred to the California Region and was assigned to the Shasta National Forest. He moved to his present position at Big Bend as district ranger in May of 1945.

"Williamson has done an outstanding job as district ranger at Big Bend," Supervisor Rickel stated, "and due to his interest in the ski activities, we are sure that he will do well in his venture in the winter sports business on Highway 40 where he is so well known."

Williamson's resignation will be effective December 1.

Rickel also announced that Williamson's replacement has been named and will report within the next few days to his new post. He is Paul Madden, Jr., at present assistant district ranger of the Sierra Ranger District. Madden, like Williamson, is very well known in ski circles in the west. He is an expert skier and during the war was assigned to the training of winter movements of troops in glacier areas because of his activities in the Utah area when he was a student. He is a member of the National Ski Patrol and has served at various times as an official judge at nation ski races.

Madden started his career in 1948 after his graduation from Utah State College. His first assignment was in Idaho where he worked for the forest service until July of 1951. His assignment in the California region was to the Six Rivers National Forest where he was Fire Control Assistant at the Mad River danger district. He came to the Tahoe Forest in his post as assistant ranger at Sierraville in January of 1956.

## Tahoe-Truckee School District News

**TAHOE LAKE SCHOOL**  
Kindergarten and First Grade: (Teacher, Geraldine Bean.) Star papers for outstanding work in Tahoe Lake first grade were obtained this week by Dianne McBride, Ruth Ann Dunn, Erik Henrikson, Breeze Cross and Denise Henrikson.

Best mannered students in our first grade were: Mike Burner, Denise Henrikson, Mike Dempsey and Connie Day.

Kindergartners started Thanksgiving art work. Kathy Stowe, Cheryl Bechdolt, Denny Boyle and Eric Poulsen drew some very good turkeys.

First and Second Grades: (Teacher, Mrs. Beavers.) The following children finished their arithmetic workbooks, passed the big test at the end of the book and have started a new workbook this week: Jimmy Bechdolt, Tommy Barr, George Selkirk, Armen Abrahamian, Chris Beavers, Jon Caulkett, Kim Marvin, Dick Pomin, Martin Spitzer, Vicki Jones, Darlinda Stark and Rosemary Wray.

Neat color and writing papers were done in the first grade by Rod Farley, Mike Dempsey, Tommy Carnell, Ernie Marier, Connie Day, Barbara Nielsen and Janet Jorgensen.

Third and Fourth Grades: (Teacher, Lillian Farr.) The fourth grade closed the exploration unit in the social studies with an original play based upon the true facts surrounding the Spanish search for California harbors. Penny Clarke took the lead as the brave Cermeno and Jayne Shontz played the role of the powerful viceroy of Mexico.

The third grade reading group staged a popular old fairy story. Both Jeff McLane and Julianne Bechdolt won applause for clever "little bear" personalities.

Fifth and Sixth Grades: (Teacher, Helen Rauscher.) The fifth and sixth graders are studying about the first English settlers to remain in the New World.

New class officers elected for the month of November are Steve Horvath, president; Danny Conners, vice president; and Sandra Snyder, secretary.

**KINGS BEACH SCHOOL**  
Kindergarten and First Grade: (Teacher, Elrose Knudsen.) New books were issued to the following first graders this week: Jay Bisio, Shari Decker, Ann Felte, Dyanne Lausche, Greg Pope and Janice Wing.

This week records were brought by Pat Cinani, Aaron Hibel, Jan Jensen, Shari Decker, Dorina Martin, Sandra Martin, and Madelyn Mullis.

Stanley Mason brought a box of scrap materials, Raidy Hiatt his small blocks, and Candy Ehlers is sharing her puzzles with the class.

Pat Cinani's mother Mrs. Mike Cinani, visited our room.

Last Friday, Mrs. Patnoudé, the school nurse, administered hearing tests to the entire class.

Second and Third Grades: (Teacher, Katherine Wing.) The entire second grade received 100 percent in Friday's spelling test.

Judy Robert, a third grader, transferred to Petaluma. Judy and her family will return in April.

We are glad to have Carl Christianson back in our room after his illness.

Jean Potkay announced to her class that her mother is visiting in Connecticut.

Brenda Hallahan is still telling interesting experiences about the Nevada Admission Day Parade.

Speaking of parades, Lynn Harper attended the Shrine's parade in Reno Saturday.

Cindy Hiatt brought her doll and cradle to share with her classmates.

Chris Althof brought a picture of the Lurline. His grandmother sent it to him from Hawaii.

Third and Fourth Grades: (Teacher, Dorothy M. Corbin.) Mrs. Bonney and two children came to visit our class last Tuesday. Linda Bonney is in the third grade.

Susan Graton finished a very nice pine needle basket this week. Loretta Barnett has been absent all this week.

Fifth and Sixth Grades: (Teacher, R. P. Bisio.) This Sunday marks the annual movie show at the school. This program is sponsored by the Teacher-Parent Association.

Tom Lucas loaned the fifth and sixth grades a professional type popcorn machine for the purpose of selling popcorn at the Sunday movies.

Rene Robert this week left for his regular home in Petaluma.

Linda and Karen Critchley are on a week's vacation.

Greg Tompkins is recovering from a bout with a bad cold.

Larry Mandeville brought to class his fish tank.

**DONNER TRAIL SCHOOL**  
Third, Fourth, Fifth and Sixth Grades: (Teacher, Mr. Bailey.) We held our Halloween party Thursday, November 8.

In order to gain better understanding of today's news we have selected several students to serve as "foreign correspondents." Each of these correspondents given a report once a week on events in its region.

## Methodist Church Notes

Tonight at 6 p.m. the Methodist Men's Club will have a dinner meeting in which the women of the church will furnish a ham dinner and a group of laymen of the First Methodist Church in Reno will present the program for the evening.

At the Sunday morning service Rev. Osman will offer a message to the subject of "The Joy of Not Withholding." Sunday school starts at 9:45 a.m.

The high school MYF will have as its meeting Sunday a training workshop for all MYFers at the First Methodist Church in Reno. They will be in training with other youths from Reno, Sparks, Fallon, Kings Beach and other points. The period of training, fellowship, fun, food, and worship will start at 3 p.m. and end at 8 p.m.

The Intermediate MYF will meet

The correspondents are: Albert Eberhardt, Egypt and the Near East; Tommy Tirkeldson, France and Germany; Leonard Watts, Russian and the satellite countries; Patsy Burchfield, Great Britain; Bruce Bailey, China; Ross Merica, South America; Candy Board, the United Nations.

### TRUCKEE ELEMENTARY

Kindergarten: (Teacher, Dee Osborn.) The prevalent colds recently caught up with our four class members who had had a perfect attendance record, causing them to stay home one day. They are Steven Maynard, Michelle Delisle, Pamela Notley and Mary Lou Randall.

First Grade: (Teacher, Helen Camp.) We miss our classmates, Jennifer O'Bear, who is recovering from eye surgery and Michael Davis, on a trip east with his parents.

We are constructing a house for our home and family unit. Those responsible for the various details are: Gary Albin, Chris Kumle, Michael Borden, Raul Hernandez, Bill Cardinal, Wilbur Glenn, Phillip Medina, Henry Frates, Phillip Riden and Victor Moore, Diane Daly, Michelle Harris, Gay Landers, Peggy Trujillo, Ruth Notley and Susan Schuler. Judy Ingalls and Bill Rose will record our progress with chart stories.

First Grade: (Teacher, Ruth Croxson.) Pamela Horman, Michael Kydd, Beverly King, Bruce Fritzsimmons, Karen Meixner, Linda Russell, Tommy Roma, Diane Patterson and Bruce Ayala finished their second reading book this week.

Kathie Hart, Richard Buck, Jerry Neugebauer and Bobby Goldsmith were among those having a 100 percent on their number test on Friday.

Second Grade: (Teacher, Helen Trask.) Those having correct spelling tests on Friday were Ronnie Walker, Susie Olano, Jack Melugin, Timmy McLane, Karen Hedlund, Frances Barrett, Bill Waters, Gail Englehart and Haymond Fitzsimmons.

Mrs. Helen Trask spent a couple days in the Tahoe Forest Hospital. She was missed by all at school.

Mrs. Jean Manetta substituted for her during her absence.

Third Grade: (Teacher, Arlene Roth.) Science interest was stimulated when Joyce Randall brought two snails to share. Reports have been assigned to find more information about snails. Kristin Meixner gave a special report about Armistice Day, for which we have a holiday from school.

Claudia Ayala and Candy Hamilton are in charge of a Thanksgiving program.

Fourth Grade: (Teacher, John Stever.) Elected chairman of the class was Eddie King; co-chairman, Judy McGwinn; and secretary, Marcia Leamon. Pupils holding these honored positions must meet the requirements of leadership at all times.

We are quite happy to have a new member in our class. Donnie Thomas arrived on the scene a few days ago. We were quite disappointed to lose three members, Linda Moran, Tod Bedrosian and Steven Rhoades, all of whom departed during the week.

Routine assignments: Mid-morning milk distributor, Gerri Steele; lunch time assistants, Carol Kunkler, Dennis Stumbaugh, Jimmy Roth, Michael Harris, and Linda Banyard; and card distributors, Judy McGwinn and David Fordham.

Fifth Grade: (Teacher, Olla Tiff.) In the class election Richard Saroni was elected president, Ronald Brown, vice president and Evelyn Hintz, secretary for the fifth grade.

We are sorry to have Sharron Rhodes move to Sacramento.

Those making a perfect score in spelling were Ronald Brown, Susanna Scuitto, Therene Powell, Ronald Buck and Bonnie Fair.

Sixth Grade: (Teacher, Ruth Roberson.) Election of class officers was held Friday. The following are the choice for the next month: Joe Parkhurst, president; Kenny Lloyd, vice president; Juan Puentes, secretary-treasurer.

This week we will continue our study of the Solar System. Ellen Patnoudé has brought a book to school about the moon.

## Tahoe Items

The M. F. Pike address is changing from Brockway to Tucson, Ariz.

Mr. and Mrs. Robert Campbell of Tahoma are presently staying in Reno.

Hank Slade wrote that he was leaving Tahoe City on Tuesday for parts unknown, expecting to return about the first of May, next year.

as usual at 6:30-8 p.m. in the church.

Again this year there will be a special Thanksgiving Day service at 10 a.m. on November 22. Of course, the public is invited to share in worship in this national religious holiday.

Rev. Wesley H. Osman announces that the results of the Halloween party for the benefit of United Nations International Children's Emergency Fund was successful. In spite of the fact that the total community was not covered, \$47.68 was raised for the children of the world who are starving or ill.

If there are persons who would still like to help they may call Rev. Osman at 233 and a caller will come out to receive an offering.

The Rotary Club was thanked for its co-operation to underwrite the expenses of the venture. Mrs. McGhion, Lynn Kishbaugh, James Pringle, and Mrs. Jack Ellis were thanked for their time given to the party.

**STATE OF CALIFORNIA  
17TH DISTRICT AGRICULTURAL  
ASSOCIATION  
GRASS VALLEY, CALIFORNIA**

### NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the 17th District Agricultural Association, Grass Valley, California, on or before 8 P. M. November 27, 1956 for the satisfactory construction of Parking Area and Roadway lighting.

Construction is to meet conditions outlined herein and the following plans and specifications, on file in the office of the Division of Fairs and Expositions, Department of Finance, Capitol Building, Sacramento, California, and the office of the Secretary-Manager of the Association: Plans Entitled: 17th D A A - Grass Valley; Nevada County District Fair Parking Area and Roadway Lighting.

Proposals will cover all work shown, specified or indicated. Work and/or materials not specifically detailed shall be in conformity with the best practices of construction peculiar thereto.

Contractor to furnish a total price to include all materials, labor and sales tax for completion of building with 30 calendar days after date of approval of contract.

Contractor to pay prevailing wage rates for all workmen to be employed on this project. In accordance with the provisions of Section 1773 of the Labor Code, the State agency has ascertained the general prevailing rates of wages applicable to the work to be done as follows:

Nevada County	
Classification	Hourly Rate
Electricians	\$3.50
Laborers	3.325
Foreman	3.80
Groundman	3.125

Any classification omitted herein, not less than \$2.325 per hour. Overtime, minimum of one and one-half times the foregoing rates. Sunday and holiday rates double the above rates.

The contractor shall forfeit to the State a penalty of Ten Dollars (\$10.00) for each calendar day, or portion thereof, for each workman paid by him or subcontractor under him, less than prevailing wages so stipulated. This provision shall not apply to properly indentured apprentices.

Eight hours labor constitutes a legal day's work and the contractor shall forfeit as a penalty to the State Ten Dollars (\$10.00) for each workman employed in the execution of the contract for each calendar day during which any workman is required or permitted to labor more than eight hours in violation of Labor Code Sections 1810-1817, inclusive.

The contractor or subcontractor shall forfeit as a penalty to the State Ten Dollars (\$10.00) for each alien knowingly employed in the execution of this contract for each calendar day or portion thereof during which any alien is permitted or required to labor in violation of Labor Code Sections 1850-1854, inclusive.

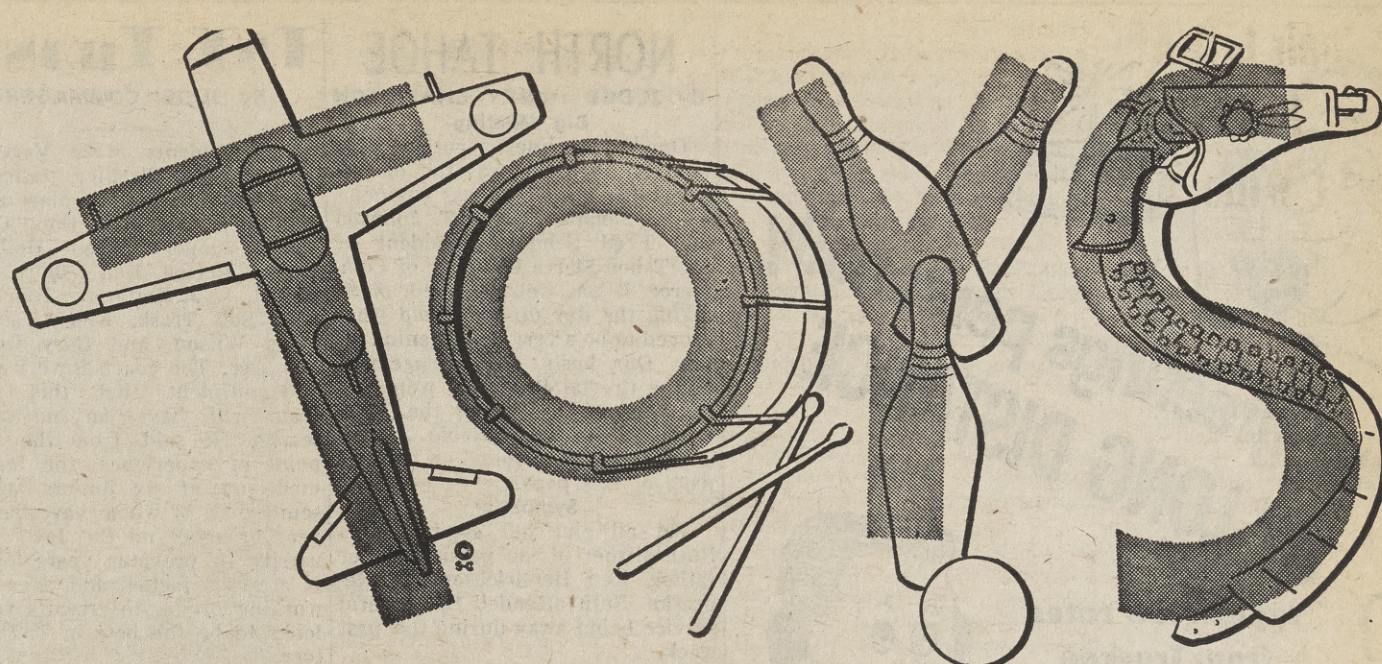

The 17th District Agricultural Association reserves the right to reject any or all bids and to waive any informality in any bid received.

No bidder may withdraw his bid for a period of thirty (30) days after the time set for opening thereof.

Contractor shall furnish and file with the Secretary-Manager of the Association a labor and material bond in the amount of fifty (50) percent of the contract amount prior to commencement of work. Dated: November 5, 1956.

17th District Agricultural Association.  
Edith Scott,  
Secretary-Treasurer.

**NORTH TAHOE**  
By JUDGE HARRY CHARRISON  
Big Meeting

One of the finest meetings ever held on the lake was the one of November 8th which was engineered by Senator Harold T. Johnson and Fred Schultz, president of the Tahoe Sierra Chamber of Commerce. It was well attended, many taking the day off to attend what proved to be a very enlightening affair. Our hosts, the management of the Crystal Bay Club, went out of their way to make the large dining room comfortable. More about this will be found on another page of this paper.

**Sympathy**

We all give our sympathy to Ruth Mizner in the passing of her father, Ken Hendrickson, in Nebraska. Ruth attended the funeral service being away during the past week.

**Proud Parents**

Bill Mizner tells me that Gwen is attending school at the Katharine Branson School at Ross, Calif. Also Timmie has been put on the honor roll at the military academy in San Rafael.

**Building**

Another nice home will soon grace the Truckee shore, as Angelo Chiaratti, our deputy sheriff, is clearing lots that he recently purchased. Angelo and his good wife are from Auburn.

**Echos**

Had a wonderful visit with Judge and Mrs. Leland J. Propp at their home in Auburn. Mrs. Propp served a delightful lunch. We naturally talked of the judge's wonderful victory at the polls last week and he was so appreciative of the tremendous help he received from the many friends at Lake Tahoe.

**Church**

Am I ever ashamed. Today, Sunday, was the first time I attended church since Rev. Earl L. Langguth became our pastor. Needless to say I was more than happy that I did attend as Rev. Langguth gave a very inspiring sermon, "Religion and Reality." The church still needs more in the choir, so now is your opportunity to get voice training free.

**Up For a While**

Ella Blake of Richmond came up by train, made a short visit to Reno before coming to her home on the golf course. She intends to stay till the snow flies, so we hope she will be here the new year at least.

**Nice Visitors**

Leonard and Mrs. Pilcher, mother and dad of Florine Klitzke, were up from North Hollywood over the weekend, also Harvey's mother and dad are here from North Hollywood. They will stay for quite a spell, then back home for a short time and will then return.

**Good Show**

There is a P.T.A. showing every Sunday going on at the school at 1:15. Children are admitted at 35 cents and grownups at 50 cents, according to Leona Graton and Raymond Bisio said you are all welcome, the more and merrier.

**No More Hatchery**

Now we hear the fish and game department have decided to discontinue with the fish hatchery at Tahoe, this will be greatly missed both by the locals and the many visitors that were so interested in the plant. The building will be quite a problem whether it will be pulled down or turned over to some cause, beneficial to the community.

**On Poorly List**

Was glad to see Mary Abbott in church last Sunday morning. As most of you know, she has been under the weather for the past several weeks. We sure hope the improvement will continue for you, Mary.

**12 Students Make Varsity**  
Coach Jim Brehler posted his 12 varsity basketball players, November 9. Wes Ball, Doug Cooke, Floyd Cooper, Wean Holbrook, Berger Nelson, Ken Osburn, Dave Rickett, L. J. Robinson, Tom Sheehan, Bob Trask, Ken Vaughan, Doug Wilson, and Gary Gunkel, manager. The coach is very proud and confident that this year's team will have an outstanding season. He said, from the standpoint of experience, the team is made up of six juniors and six seniors, all of whom have had one year or more on the Jay Vee or varsity in previous years. Height is a great factor, and as a hard working group, this year's varsity looks to be the best in TnT's history.

**Wes Ball On The Scoreboard**  
Wes Ball, 17, a senior, standing in at 5 feet 11 inches is very promising, not only as a basketball

**More Equipment**  
Looks like more and better snow removing equipment will be stationed at Tahoe City this year, according to the state road department. All we have to do is be patient and we'll get everything we want. We finally have a good entrance to the Golf Course for which we are thankful.

**Tahoe The Beautiful**  
Fred and Mrs. Miller were telling me that they had as visitors during the past week Henry and Mrs. Hess of San Francisco. Come to think of it, I met them while they were here, a wonderful couple, too. Marian Miller says they have just returned from Europe where the celebrated their 50th anniversary, and that they honeymooned at Tahoe 50 years ago. They have traveled all over the world, but they say of all the rest of it cannot compare with beautiful Tahoe. They stayed at the Tom James Lakeshore Resort in Tahoe Vista.

**Good News**  
I hear good news of Eugene Jarvis who at the moment is in the hospital in London, England. He is expected to be released about November 20 and will then make tracks for his home at Crystal Bay, Pleasant Journey, Gene. He has received the news by air of North Tahoe during his illness.

**Santa Claus Coming Soon**  
Eugene Faulkner, president of the Council of North Tahoe Organizations, tells of a big meeting of that group last Thursday, where the main business was the preparations for the great big Christmas party to be held on the Golf Course on Saturday, December 22. Santa will be Rev. E. L. Langguth; the church choir will sing carols; V.F.W. will decorate a big tree; the Lions will build a bonfire and the P.T.A. and V.F.W. Auxiliary will wrap gifts. Rotary Club will get the children to the affair. Icy Laborde, Katy Felte and Leona Graton will compile lists for purchasing gifts, etc. There will also be prizes given to the persons for the best decorated home on the outside. Gene Faulkner will donate \$25 for first; \$15 for second and \$10 for third. Kay Felte, Jimmie Chastain, and Ace Abbott will be the judges. Donations were by Willis Mizner, Carpenters local; Community club, Wiley Jones, Ray Plunkett, Carl Brooks, Crystal Bay Club, Gene Faulkner, Acme Plumbing Supply, V.F.W., V.F.W. Auxiliary, P.T.A., Women's Club, Lions, Rotary, Buckhorn, and Ray and Mike, to date.

player, but as a leader. He has been enrolled at TnT for five years, during which time has been class president for two years, has a B grade average, played on the Jay Vee basketball team for his freshmen, sophomore, and junior years. His future goal is to be an architect. When interviewed he said, "We have everything it takes, and we'll go all the way."

**Doug Cooke On The Scoreboard**  
Doug Cooke, 17, a senior, standing in at 5 feet, 9 inches, has attended TnT for three years. In his sophomore and junior years he played on the Jay Vee, held the office of class president, and now is the secretary of Block T and Demolay. His grade average is A and after graduation he plans a college career of mathematics. A telephone interview brought the following across the wires, "We have a lot of potential and should have a winning season."

**Appreciation Extended**  
One of TnT's most valuable assistants in making our school function smoothly, is Mrs. Helen Armstrong. She has been employed at TnT for three years, in this period of time she has done the best possible job in keeping accurate records of each student, handling correspondence, and many other jobs that a perfect secretary undertakes. The students and faculty express their appreciation to Mrs. Armstrong not only for the excellent job she is doing, but for her faithful "goodmorning" smile.

wonderland dance, Saturday, November 10. Under the direction of Burger Nelson, decoration chairman, the room was brightened with Christmas tree lights, red and white streamers, Santa and two reindeers. The attendance was small, but all in all the dance was a successful one.

**A Good Beginning**  
Friday, November 9, a group of parents and students met in Tahoe City, to discuss the organizing of a Teenage Canteen. The officers were chosen: Dick Decker, president; Sharynn Wright, vice president; Jude Commager, secretary; Judy Vaughan, treasurer, and Doug Ball, sergeant-at-arms. Mrs. K. Rustad offered Granlibakken as a meeting place. All officers will attend a meeting at TnT, November 12, to make further plans. The parents and teenagers feel a great need for this canteen, and are off to a good beginning.

More than 9000 persons can be seated in San Francisco's Civic Auditorium.

Truckee, California

Wesley Karasson

**FREE AND EASY**—Rappelling down a long cliff face in Colorado is Sergeant Richard D. Davis Jr. of East Jaffrey, N.H., and the First Infantry Division of Fort Riley, Kans. He is taking part in Exercise Cold Spot, the Army's mountain and cold weather maneuver at Camp Hale on the Continental Divide.

### Rains Eliminate Hazard Of Fire As Restrictions In Forest Are Removed

L. A. Rickel, forest supervisor of the Tahoe National Forest, states that the rains of the past weeks have eliminated the threat of forest fires on the forest. Rickel has declared that, effective November 1, special fire restrictions imposed by federal regulation earlier in the year are rescinded as they apply to Tahoe National Forest lands.

(1) Campfire permits are not now required before building campfires on national forest land.  
(2) Smoking is no longer restricted to specific areas.

Under the state fire laws, burning permits will be required by state and federal agencies until December 1.

Rickel states that the fire season of 1956 is the most successful since the war year of 1942. The forest had a total of 106 fires this year with 61 acres burned, 39 of the 106 fires were man caused.

### MORE HORSEPOWER NOT FOR SPEEDING COMMISSIONER SAYS

More horsepower in the automobiles is not a license for more speed on the highways, warns the California Highway Patrol.

"Excessive speed for conditions and exceeding the stated speed limit continues to lead the list of traffic violations noted in traffic accidents," declared the Patrol's commissioner, B. R. Caldwell today. "Most of the accidents involving speed can be charged to the improper and imprudent use of the available horsepower and speed in today's automobiles."

"The human element is still the deciding factor in the safe use of the motor vehicle," Caldwell continued. "Regardless of the make and model of your own, your chances of being or not being involved in an accident caused by speed depends on how you use the power and speed available at your toe tip."

"It is safer and wiser to obey speed laws and save the extra power and speed for emergencies."

The Great Lakes region, with more than 50,000 lakes, is a fisherman's paradise.

### Speed Limit Established At Cisco Grove District

Establishment of a 40-mile-an-hour speed limit along a one-half mile section of U. S. 40 through the community of Cisco Grove, 20 miles east of Truckee, in Placer county, was announced today by the state department of public works.

Reduction of the speed limit from 55 miles an hour was recommended by State Highway Engineer G. T. McCoy following an engineering and traffic study by the division of highways. The California Highway Patrol concurred in the recommendation.

### GIL BERG GETS HIGH MARK AS MARKSMAN

Fish and Game Warden Gilbert J. Berg of Biggs, a former Truckee resident, is rated 17th in the National Rifle Association listing of pistol shooters in the nation, according to a recent NRA bulletin.

He won his rating by scoring 834 out of a possible 900 points in the NRA indoor sectional .22 pistol tournament held in San Bruno early in the year.

In addition to his national standing, Warden Berg has won numerous honors as a member of the department of fish and game's five-man pistol team.

Calaveras creek was so named by Captain Moraga of the Mexican Army after he found a large number of skulls along the creek banks.

### Henrys Will Move Home To New Location Soon

TAHOE CITY—Fire Chief Al Henry and his wife, Jean, announce the purchase of a lot on Fairview drive between the Bakers and the Boyles where they will move their present house which is on the commercial property adjacent to the Tahoe City Garage. Al says that he hopes to get the moving done this fall.

Joe and Marie Henry indicated that they will not begin work on the enlargement of the garage this fall, other than to clear the lot. Next spring they will add about 10 feet of width to the building in the direction of the Pomina house where they will have a complete lube room. This additional width will extend the entire length of the building including a large new addition to the rear.

It is not their present intention to build on the portion of the property now occupied by the Al Henry house, but instead to use this for off street parking and for customers and assorted wrecked cars.

### Tahoe Items

Mr. and Mrs. Amos McGarvin are occupying the Tahoe City property of Mrs. Helga Olander for the winter months. The latter left last week for Oakland, expecting the lower altitude to be beneficial in getting rid of a severe cold which has been bothering her.

Mr. and Mrs. Max Bretzfelder are due back to Tahoe City from a pleasant trip to Hollywood.

Mr. and Mrs. George Kehlet of Meeks Bay are now at Palm Springs following his formula of packing at the first sign of snow and getting to their winter place by the time the second snow falls at the lake.

Mildred Burch of Kings Beach

### LESS SNOW FORECAST FOR THIS DISTRICT

Less snow in the Sierra this winter than last winter but still enough for satisfactory winter sports and water supplies is the prediction of the Sierra Club's crystal snowball gazer, Weldon F. Heald of Tucson, Ariz.

Heald has informed the club that his studies indicate a total snowfall of about 275 inches at Soda Springs, near Donner Summit, this winter with proportionate snowfall elsewhere up and down the range.

Heald believes there is a chance the total might go as high as 300 to 325 inches, since snowfall has been running 10 to 15 percent above the amounts expected in the past three years.

Many skiers, however, observe that they fare better in years that do not beat the record.

Light years mean open roads and sunnier weekends. Further, as one skier put it, "snow depth isn't important because you only ski on the top."

#### SHERI CURRAN NOW HEADS SUNSHINE GIRLS

On Wednesday evening of last week impressive ceremonies marked the installation of new officers for the Pythian Sunshine Girls of Donner Council 13 in Truckee's Odd Fellows Hall.

Sheri Curran now reigns as new royal princess, succeeding outgoing junior past royal princess Ireda Harris. Others on the new roster include charity, Karen Smart; friendship, Joan Brown; royal exchequer, Valerie Mandeville of Crystal Bay; royal recorder, Marjorie Pearson, Tahoe City; royal guide, Kathy Curran; mystic one, Janice Roth; royal prelate, Wilma Hensley; color bearer, Mary Ann Miller; musician, Noma Rae Coffey; royal warden, Diane McGilhon; royal sentinel, Wilana Curran; and banner girl, Ellen Gail Lyons. Noma Rae Coffey was installing officer, assisted by three grand official assistants. Grand royal prelate Mrs. Pearl Heller, grand royal guide Mrs. Lillian Miller and grand mystic one Myrtle Harris. Mrs. Heller was installed as royal advisor again, marking the start of her sixth year in this exalted office. She has appointed Mrs. Lillian Miller to serve as her assistant royal advisor.

Tasty refreshments were served at the close of the evening.

A large and enthusiastic crowd was on hand last Friday night to greet Mrs. Pearl Heller, royal advisor of the local Pythian Sunshine Council, and party, who traveled to Colfax to aid in the organization of a Colfax council. Those who accompanied her from Truckee were Icyaleme Kohl, M.E.C. of the Truckee Pythian Sisters; Edith Pfandler, district deputy; Ella Waters and Elsie Olson. Mrs. Heller spoke at length of the methods of procedure and a plan of action will be put into operation at once.

Coroner and Mrs. Alvah Hooper of Truckee on Monday motored to Grass Valley where they attended funeral services for Mrs. Hooper's uncle, Alonzo Le Duc, held in the Hooper-Weaver mortuary. Mr. Le Duc passed away on the previous Thursday at the age of 80 in an Auburn hospital. He was a teamster by trade and spent many years in Grass Valley. He was wide and favorably known there and in Truckee where he was a frequent visitor. Interment was in the Grass Valley cemetery.

Members of the immediate family who survive include a wife, Rita, sons William and Albert Le Duc and daughters Rita Gallaco and Margaret Nugent.

On the mend this week are Mrs. Charles White, who recently suffered a painful fall, and Mrs. Mel Thornton who came out winner in a bout with the flu.

Fourteen members of Mrs. Fred Pedley's Girl Scout Troop will celebrate moving up from the Brownie division to the Girls Scouts on Thursday evening, November 15, at a "fly-up" party to be held in the evening. Dinner will be enjoyed at the St. Louis Cafe followed by attendance at the Donner Theatre's latest thriller. Committee women Mrs. Ray Hintz and Mrs. Reg Smart will assist leader Mrs. Fred Pedley in chaperoning the youngsters. On Monday afternoon of next week at 4:30 p.m. the young ladies will be presented their pins by Mrs. Pedley at the Wyethia Clubhouse.

On Wednesday, November 14 Mrs. Fred Pedley, state safety chairman, was guest speaker at the afternoon session of the Orland Women's Club held in their clubhouse. Traffic safety was her topic. On Friday of last week she delivered a similar talk before the Women's Club of Loomis.

Mr. and Mrs. Lynn Kishbaugh and daughter plan to spend the Thanksgiving holidays in San Jose where they will visit at the home of her parents, Mr. and Mrs. George Marquardt. The latter will meet for the first time little granddaughter Jan, just four months old.

Miss Dorothy Flammer and her mother, Mrs. Sue Flammer of Sacramento, were visitors at the Charles White home in town on Sunday last. Miss Flammer will be remembered by old-time Truckee residents as she taught for many years in the old Meadow-Lake High School. She is now a professor in the Sacramento High School.

Mrs. Edith Trent motored to Richmond over the weekend where she visited at the home of her parents, Mr. and Mrs. Fred Lease.

### BASKETBALL

Continued from Page 1  
from San Bernardino with J.V. experience and L. J. Robinson from Van Nuys who starred on the "B" team at the Southern California school.

The Wolverines, shooting to improve on last year's record of six wins in 16 starts, will play an 18-game schedule before ending up with the zone tournament in Reno on February 27, 28 and March 1 and 2. The state tournament follows on March 14, 15 and 16, with the five top teams from the western zone qualifying for the state play-offs in Reno.

Following is the 1956-57 Wolverine schedule:

Dec. 8—South Tahoe	away
Dec. 15—Carson City	away
Dec. 19—Loyalton	away
Dec. 21—South Tahoe	home
Jan. 4—Hawthorne	home
Jan. 5—Yerington	away
Jan. 11—Reno Ramblers	away
Jan. 12—Stewart	home
Jan. 18—Manogue	away
Jan. 25—Winnemucca	away
Jan. 26—Lovelock	away
Feb. 1—Reno	home
Feb. 2—Lovelock	home
Feb. 8—Douglas	home
Feb. 9—Loyalton	home
Feb. 15—Winnemucca	home
Feb. 16—Douglas	away
Feb. 22—Manogue	home
Feb. 23—Stewart	away

Half-time entertainment for home games will once again include some seventh and eighth grade games, as well as special added attractions being planned by the high school athletic departments. All games will be double-headers, with the preliminary game scheduled to start at the usual 7 p.m.

Season tickets for the Wolverines' eight home games went on sale this week. They will sell for \$4, thereby saving the purchaser \$2 over the regular 75c per game charge. Tickets may be purchased from members of the two teams; at Loynd's in Truckee, the Village Store in Tahoe City; at the first home game on December 8; or from the coaching staff.

Season tickets may also be purchased by mail this year, merely by sending a check to Linda Loynd, student body treasurer, in care of the Tahoe-Truckee High School. All checks should be made out to the Tahoe-Truckee High School Student Body, and tickets will be mailed promptly.

#### Record Of Housing For District Being Requested

LINCOLN—A resolution recommending El Dorado and Nevada counties and the chamber of commerce in Reno, keep a record of new housing construction in the Lake Tahoe area was adopted by the Placer County Chamber of Commerce.

Chamber President Jim Dobbas of Auburn, Placer county, asked for the resolution as an aid to keeping a list of housing facilities for the 1960 winter Olympics which will be held in Squaw Valley, Lake Tahoe.

### Wolverines Lose In Final Game To Loyalton Eleven

The Tahoe-Truckee Wolverines, once again outgaining their opponents but not outscoring them, dropped a tight and hard-fought 19 to 14 decision to the visiting Loyalton Grizzlies Saturday to close out their 1956 season. Coach Stan Drakulich's club won two while losing six for the season, and where 1 and 5 in Western Nevada "A" Division play, finishing in fifth place ahead of winless Stewart. Carson City won the crown and will play-off with Bishop Gorman of Las Vegas for state laurels next weekend.

Craig Robinson, soph quarterback and the finest passer in Tahoe-Truckee's history, got the Wolverines off to a good first period start, passing 55 yards to Doug Cooke and a score. Ken Osburn caught Robinson's aerial for the conversion and a 7-point lead.

In the second quarter, Dean Holbrook returned a Loyalton punt 49 yards to the Grizzlies 21 to set up Tahoe-Truckee's second TD. Robinson passed to Dean Herzog on the four and Floyd Cooper carried to the two, with Robinson scoring from there on the sneak. Cooper hit the middle for the extra point and a 14-0 lead.

With only a minute before half-time, Loyalton recovered a Wolverine fumble in mid-air and scored as Smith went over untouched. The conversion attempt failed.

Robinson connected with Herzog again just as the gun sounded, but Herzog was pulled down on the three and Tahoe-Truckee held a 14 to 6 intermission lead.

In the third Loyalton added 7 points as John Genasci passed to Jim Perkins, 257-pound tackle converted to end for the TD, and P.A.T. to leave them one point down, 14 to 13.

With only seven minutes left, the Grizzlies drove to the local eight and Genasci on a keeper around end scored. The conversion failed, but the final 19 to 14 score was on the board to stand.

Robinson hit 11 for 17 on passing for 272 yards and an average of almost 25 yards per completion and 16 yards per attempt. Holbrook, Herzog and Bob Trask also played outstanding ball for the losers.

Tahoe-Truckee gained a total of 408 net yards, two-thirds of them through the air. Of this total, they gained 331 yards in the first half.

The Wolverines lose ten seniors from the 1956 squad by way of graduation in June. They include Captain Bob Trask, Wes Ball, Dave Rickert, Tom Sheehan, Frank Giovannoni, Scott Gilmore, Doug Cooke, Ken Lavery, Dean Herzog and Roger Halbert.

The final activities for the team include the selection of the "most valuable player" for the year, and the football banquet scheduled for November 28, to be sponsored by the Truckee Lions Club.
